DEATH OF ALEX. FREW.

Well Known Business Man Passes Away.
The End Came Suddenly—Sketch of the Deceased.

The many friends of Alex. Frew, a leading business man of this city, will regret to read his death announcement published in another column of this paper. Although an invalid for about a year past his death came upon his bereaved family suddenly and unexpectedly. He was able to be out on the street Saturday evening, although not in good health, but almost immediately on his return home there were indications of the heart trouble from which he died. He expired yesterday morning soon after 7 o'clock, surrounded by the various members of his family.

Mr. Frew was a brother of Mr. John Frew, of this paper, and also of the late Robert Frew, likewise connected with the Intelligencer in its press department. He was born in Steubenville, Ohio, December 12, 1841, and ten years later came to Wheeling with his parents to reside. Here he was educated in the public schools and until the war broke out was variously employed, first at the printing business and afterwards with J. C. Harbour in the carpet business. At the breaking out of the war he enlisted first in the Three Months service in Company C, First regiment of Infantry under Captain Fordyce, and participated in the engagements at Phillipi, Rich Mountain and Carnifex Ferry. After the expiration of his term of service he again enlisted in Company H, Fifteenth West Virginia regiment of Infantry, and rose from first sergeantship of his company to its captaincy, and was in command of the company at Richmond, Va., when it was mustered out in June, 1865. In his second term of service he participated in the battles of Cloyd Mountain, New River Bridge, Middlebrook, Lynchburg, Snicker's Ferry, Winchester, Halstead and Cedar Creek, and was known as a brave and skillful soldier.

Returning home after the war he embarked in the furniture business with Friend & Son, and afterwards, and up to the time of his death was in the same business on his own account. He was always known as a public-spirited citizen and took a commendable interest in local and general politics, and at the time of his death was a member of the city council.

The deceased was a member of a number of fraternal associations, such as Wheeling Lodge No. 3, A. F. & A. M.; Cyrene Commandery No. 7, K. T.; Osiris Temple, Nobles of the Mystic Shrine; Alpha Lodge, K. of H.; Fort Henry Council No. 57, National Union; Sheridan Post No. 85, G. A. R., and Union Veteran League.

In 1861 he married Miss Anna E. Henderson, of Steubenville, who with two sons and four daughters survive him. His sons have been associated with him in business. In his death the city of Wheeling has lost a good citizen and his immediate relatives have sustained a sad bereavement.

The funeral will take place from the family home, 433 Main street, to-morrow at 2 p. m. Friends of the family are invited to attend. The interment will be at Peninsula cemetery. The Cyrene commandery No. 7, Knights Templar, has been called to meet to-morrow at 1 p. m. to unite in paying their last tribute of respect to the deceased.

IN THE COURTS.

Cases Disposed of in the Circuit and Criminal Tribunals.

Porter, the motion for a new trial made by the defendant was overruled and it was decreed that the plaintiff recover from the defendant; Porter, and his surety, Mary Carson, the sum of \$10,000, including costs and interest from November 25.

In the criminal court, Judge Hugus, in the case of the state vs. Henry Robrecht, charged with violation of the law prohibiting the sale of intoxicants on the Sabbath, Robrecht was fined \$20 and costs.

Clarence Wilson was admitted to practice in this court.

The trial of James Mazingo, charged with unlawful voting at Precinct No. 5 (West Liberty), in Liberty district, was set for December 11. Mazingo gave bond in the sum of \$100, with A. S. Bell, of West Liberty, as surety.

CITY AFFAIRS.

A Meeting of Council this Evening—The City Charter Election.

This evening a regular meeting of the city council will take place, at which the most important business that will be up for consideration is the disposition to be made of the ordinance providing for a special election to act on the new city charter on December 22. It will be remembered that at the last meeting of council the ordinance was laid over on account of the objection to its further consideration made by Mr. Zwicker, of the Fourth ward. It is said that the counting of noses in the first branch has developed the certainty of the passage of the ordinance to-night. If it is passed there is no time to spare in preparing for the special election.

Fire Committee.

The fire committee met last night and audited bills amounting to \$261.91, which were ordered paid. The committee also considered plans submitted for a new front to be built at the Hook and Ladder house on Twenty-first street, and postponed action until the next meeting. The front of the present old structure is in a dangerous condition and repairs are badly needed. The committee's plans are to put in a handsome front, which will be an improvement much needed at the house.

Chief Healy presented a bill for putting up small key boxes on each of the fire alarm poles. The committee considered the matter, but came to the conclusion that inasmuch that he is drawing a regular salary from the city and the city had paid for the material, it was nothing more than a chief should do, to improve the department all he could without extra compensation.

Other Council Committees.

The council committee on health met last night and audited bills amounting to \$12, which were ordered paid.

The committee on streets, alleys and grades has been called to meet at 7 o'clock to-night.

BOTH WERE CAPTURED.

A Pair of Crooks Wind Up Their Career Yesterday.

Early yesterday morning two crooks entered the tailoring establishment of Thomas Hughes & Company, on Market street. While one engaged the janitor, a colored man, in conversation, the other got away with a bolt of cloth. The police were informed and Captain Bennett soon had one of the pair, known as "Little Ike," behind the bars. Shortly afterward the other, "Kid" Taylor, was located in Bellaire, and the authorities of that place placed him under arrest, and he will be brought to Wheeling. The police did creditable work in bringing these criminals before the bar of justice so speedily.

ENTERS MOUNDSVILLE.

The Benwood Southern Cars There this Morning.

For several months the Benwood Southern electric line has been running cars from Benwood to the camp ground station, about a mile above Moundsville, but has been unable to enter Moundsville on account of crossings that had to be arranged for with the Baltimore & Ohio company. Last evening the crossing at the electric line works was completed, and this morning cars will be run into Moundsville for the first time.

Clerk Robertson's Bond.

Mr. Richard Robertson, the newly elected county clerk qualified before Circuit Clerk John Walton yesterday morning and filed a bond in the sum of \$10,000, with Henry Schmutz as surety. He will take charge of the office January 1.

The Modern Mother.

Has found that her little ones are improved more by the pleasant Syrup of Figs, when in need of the laxative effect of a gentle remedy than by any other, and that it is more acceptable to them. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Company only.

It will be refreshing at the "Summer Booth" to drink a glass of cold lemonade served by a beautiful summer girl.

THE length of life may be increased by lessening its dangers. The majority of people die from lung troubles. These may be averted by promptly using One Minute Cough Cure. Charles H. Goetze, corner Twelfth and Market streets; Hardy & Co., Bridgeport; Peabody & Son, Benwood.
